GIRLFRIEND DUMPS BOYFRIEND OVER GRILLED AVOCADO AND VEGGIE TACOS

(Tsawwassen)-Local T-Town lovebirds Stacey and Brett were at **Uptown** as usual Friday evening. Brett loves his **Bottomless Fish 'n Chips** and **PBR**. When presented the new menu, Stacey was pleasantly surprised with some new choices. After bringing the dotting couple beverages, their server Savannah proceeded to take their food order. Stacey excitedly said "I'll have the **Grilled Avocado** and **The Yoga Taco's**" two of the healthy new choices on the menu. Savannah turned to Brett and he said "I'll have the same." Stacey was in awe. "I feel like at that moment I just didn't know him anymore. He had made a promise to me that he would stay focused and get the DadBod I'd always dreamed of. It was part of the plan that he gets the **Fish n Chips** or **The Epic Burger**. This was so out unlike him I just didn't know how to cope with the situation," said a clearly upset Stacey in a phone interview from her Beach grove residence. "I know why he got the same as I did, they're delicious, but I feel like ugh.... I just don't know! Where's my Burger guy?" When asked for comment while at Uptown's Bar this past week Brett didn't want to talk about the incident instead order a **9oz Beach House White** and the new **Quinoa Salad**. He seems to be enjoying his new self.

Monkey Drinks Beer at Uptown

A Real Life Monkey, dubbed Jerome, Drinks Delicious Pints at Uptowns Bar....

(Uptown) - A monkey walks in and sits down at the bar...no joke! He's become affectionately dubbed Jerome by staff and regular patrons. The monkey arrives every Friday evening after work to sip on some of the tasty **Craft Brews** offered at **Uptown**. Like clock work he'll pull up his Organ Grinder and clamour up to what has become his regular spot at the end of the bar. He'll call out to the barkeep "Ooooo ooooo aaahhh heheeh". A frosty pint of **Russells Special Lager** slides down in to his grip. "Were really not sure what he's saying" comments Kris the barkeep "but we think it's 'Lager Please'. If you give him something else he kind of freaks out. So we just stick with the Lager for the most part". Jerome generally keeps to himself, enjoying a jar or

two of roasted peanuts and checking his Sports Action picks for the upcoming weekend. Occasionally he'll flip through the **vinyl record collection** and spin a black circle. Oddly enough his favorite tune is 'I'm a Believer' by, you guessed it The Monkee's.

Uptown has a great selection of **Craft Brews** to choose from along with a stellar selection **session beers** on tap and bottle. **Uptown** has something for everyone! Even Monkeys.

In a parallel incident, a man was recently seen absconding a jar of peanuts from **Uptown**.

Surveillance cameras picked up this image of the accused speeding away with the goods. His identity remains a secret at this point. Local authorities

are investigating the incident. Jerome is madly searching for his beloved peanuts. When ask to comment Jerome said "Oooooo Ahahah ehehehehe!" A Lager then slid down the bar and rested before him.

Visit Uptown **Fridays After Work** for a solid vinyl session, great beers and **Bottomless Fish n Chips!**
